Dear Harold & Lillian,

Hope all is well with you. Enclosed is $198.19. That comes to $118.19 for Oswald's New Orleans, Best Warren Lost. Also included is $75 for your copy of Curry and $5 for the Hugh McDonald Appointment (Your signature is the only thing that would improve the attractiveness of an unloved title.) If you find anything else you're interested in selling let me know.

All the best,

Andy

P.S. Does JFK Lancer order many books from you? I've always been curious.
